

Blessings and joyful memories
I record in this jar
So on hard days I can recall
How God's brought me this far.
I also write my prayer requests
And burdens that I bear,
To leave at Jesus' feet and later
See His loving care.
For God's the source of ev'ry good
And perfect gift of love,
And He will answer ev'ry prayer
With wisdom from above.

My blessings and burdens

I bring to the Lord

To lay at His feet

And hold onto no more.

And ev'ry so often

I read them for fun,

To remember His goodness

And all that He's done.
